Adult and Child Assessment and
Crisis Counseling for Flood Victims

INTRODUCTION

FDNY Crisis Counseling: Innovative Responses to 9/11 Firefighters, Families, and Communities tells the story of this ongoing response from the perspective of those who put it into practice using narrative case studies. The book provides a roadmap featuring real-world examples and case studies to help counselors navigate the challenges of working with survivors of traumatic events.

FDNY Crisis Counseling focuses on applying innovative approaches to disaster response and the prevention of Posttraumatic Stress Disorder. The book includes contributions from experts in the field, offering insights and strategies for effective crisis counseling.

This resource is valuable for counselors working with survivors of disasters, as well as for those interested in innovative responses to traumatic events.
